2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The institute believes firmly in continuous evaluation of the students for their sustained performance.As the institution is affiliated to TNTEU, CHENNAI, exam and evaluation pattern given by the university is followed. As per the university regulations, 2 internal exams will be conducted which consists of descriptive and quiz exams. For labcourses also,internalexamwill be conducted. Other than,these exams,for continuous evaluation of the students, unit tests and surprise tests will be conducted for the students. Continuous evaluation procedure is followed for practical subjects also. The department will carry

out internal assessment on all subjects based on internal test performance of the students. Effective implementation of evaluation reform of the university are strictly followed and those initiated by its own are ensured by the institution by strict compliance of process and procedure devised/ suggested by the university in order to follow the continuous evaluation system. The Institute hastaken following measures for the effective implementation of the evaluation reforms introduced by the University: The Institute has exam coordinators from each department for smooth conduction of the examination. The examination committee meets periodically to discuss all the examination related matters. At Institute level, effective implementation of tutorial and mid exam takes place and results are declared within a week. The students can see their evaluated answer sheets and discuss the same with concerned faculty. Final year project work is jointly evaluated by external examiners. After releasing the semester examination results, the last date to apply for Revaluation/ Recounting/ Challenge Valuation will be informed by the university. Students can apply by their own through online. As per the performance of the student-teachers in curricular and Co-curricular activities (Both B.Ed and M.Ed sessions) along with Final Examination result, one student teacher education is selected as an "Assesst of the Institution" The college conducts CIE periodically for the theoretical aspects of pedagogical and educational subjects. Accordingly every B.Ed student has to take written test, assignments and seminars. In the case of practical aspects of B.Ed curriculum, the teacher educators are continuously assessing the students' performance from the beginning till the end of the academic year by using the available structured evaluation proforma. The students are informed in the beginning of the academic year on the modes of CIE and the schedule of CIE in the academic calendar. The performance of students in CIE is analysed by the coordinator of the examination committee. The performance of the students in CIE is monitored by the Principal and the necessary feedback is given to the concerned faculty members. The Principal conducts review meetings to give necessary feedback for the improvement of students' performance. The institution monitors the performance of the students and reports to the parents. Progress reports are prepared pedagogy wise by the staff in-charge and handed over to the parents in person after each test. Parents/ Guardians are advised to note the performance of their wards and take remedial measures if needed.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Before the commencement of the academic year, the Institution prepares and publishes 'Academic calendar' containing the relevant information regarding the teaching learning schedule (working days), various events to be organized, holidays, dates of internal examination, semester examination etc. The academic calendar is prepared so that teachers should know all the activities regarding continuous internal evaluation process and it is also published on website of the college and displayed in the Principal's office. The students' academic progress is monitored regularly by adopting the strategy of continuous internal evaluation, seminars, project work, unit test and semester examinations. The review of internal assessment is taken by the Principal regularly. For the implementation of Internal Assessment Process, Examination committee is formed at the college level which monitor overall internal assessment process. The examination committee, send the information to the University about the students who are appearing for the examination. After receiving enrolled list of the students' by the University, the college prepares seating arrangement chart, list of invigilators etc. The record of internal assessment is maintained at college level. Every department has to submit the compliance of the academic calendar as part of their annual submissions. In addition the internal audit conducted which ensures the compliance to verify with documentary evidence. The process is as follows:

Teacher: Every teacher is assigned the subjects to be taught during the academic year. The teacher plans the teaching and evaluation schedule of assigned subject. The type and schedule of internal evaluation is Planned in consultation with the head of the department.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practices At The Institution : The mission of the institution is to impart quality education to the students, preparing them to excel in face of all challenges in their professional life. The reflection of the mission of the institute is observed in various activities and practices followed at the institute that are unique in the field and tried and tested at the institution itself. Some of our best practices are as follows: Varied Learning Experiences Pupil teachers are provided learning experiences that provide adequate training to face multiple individual differences in the class room and teacher training as a professional by developing professional skills in the pedagogy, observation, documentation. Analysis and interpretation, drama, craft, story- telling and reflective inquiry. Equality And Student Welfare The college contributes to the goal of achieving equal access to education for all sections of the society. The college maintains a student welfare fund to provide financial support to needy students in their pursuit of higher education. Addressing Variety Of Learning Needs The college seeks to create an equitable learning environment by trying to address the learning needs of all students. Environmental Awareness Through Activities The curriculum adopted by the college includes a project on environmental education. The college encourages its students to take up environmental - related activities outside this course, eg-Garbage Disposal in Sadarpur, Sanitation awareness campaign Tree plantation drive undertaken in collaboration with the Horticulture Department, Noida ,Awareness of health and hygiene. Preparing Students To Meet Global Demands In Education To meet the Global trends and demands the institute tries to foster global competencies in

students through following facilities - Use of multimedia facilities by LCD projector, e-learning material and p p t presentation Language laboratory for communication skills. Computer literacy programme for students. At our institute we attempt to integrate values in teacher education through TL Methods instructional materials, co- curricular and extracurricular activities. The curricular transaction is enriched with the help of ICT to add a good number of activities foe student capacity buildings. Converting practice lessons to smart classes for teaching practice session are compulsory for all teacher trainees. At our institute we provide various value added courses. Courses developed over last three years are - Developing communication skill ICT skills Life skills Skill of community service Personality grooming. Interdisciplinary approach is practiced at all levels in the institution. We train our students to deal with differently able students and made aware of the concept of Inclusive Education. Formative assessment at all levels. Multi disciplinary evaluation is carried out during the session to give a feedback to students regarding their performance in all areas of development and curricular and co-curricular activities during the course. Students are trained to prepare blogs, discussion forums audio- video recording etc.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The Institute focuses keenly on the holistic development of students and provides them with every opportunity and resource to facilitate their holistic development. This is one of the most distinctive features the Institute, whose details are given below in brief. Holistic Development of Students: The Institute had an intake of only 100 UG students at the time of its inception in 2004. Making spectacular growth over the years, now its intake of 200 of UG students, 50 students in PG programme. The institute has been Accredited by NAAC with a CGPA of 2.89 on a four point scale at B Grade . As visible from vision and mission statements, the institute has been focusing on the holistic development of students while aiming at excellence in education and meeting the quality standards set by accrediting and regulatory bodies. Intellectual development: The institute, implements university curriculum through well planned and effective teaching learning activities blended with latest pedagogy approaches. Various approaches have been taken to enable students to meet their individual needs. Exposure to students throughout their educational program is provided by mentors, industry experts, professionals, and innovators. This enables them to be work ready. The institute proactively identifies the curriculum gaps and makes the provision for imparting the content beyond syllabus bridging the gaps. The students are facilitated to work on relevant problem related to society, industry through projects like minor and major projects and complex problem solving. Students are enabled to work environment through regular school visits. Also they are sent to internships. The institute also organizes various programs for providing hands-on training to the students of latest technology . Social development: The social skills are nurtured through various activities conducted by the social clubs at the institute. Exposure to social issues and working on probable solutions: The students are exposed to the diverse social structure and their issues, particularly in the neighboring areas, through the National Service Scheme implemented at the Institute, in collaboration with the SPPU. The students undertake activities of spreading social awareness about various burning topics such as female feticide, women health, Swatch Bharat, etc. While doing so, they also become

aware of the issues of the society and think on probable measures to solve them. Inculcating benevolence: The students take part in helping the neglected part of the society like orphans and old age people. Students help the children at the orphanages by conducting classes for the kids. At the old-age homes, students extend their help. Physical development: The institute promotes physical activities among the students to cultivate many important skills such as physical fitness, team spirit, The Institute focuses keenly on the holistic development of students and provides them with every opportunity and resource to facilitate their holistic development.
