DISCUSSION ON CONTEXTUAL LINKAGES

The teaching learning process in the institution is aimed at making the students understand what is being learnt with reference to what they experience and see in the world. This is done by citing examples from real life, wherever possible. One such attempt is to hold discussions that highlight the contextual linkages of the concepts at various levels. The discussions held in this regard sharpens the understanding of concepts better. The details of such discussions are presented below:

S. No.	Name of the Course	Discussion Topic	Name of the teacher
