NAAC – DVV

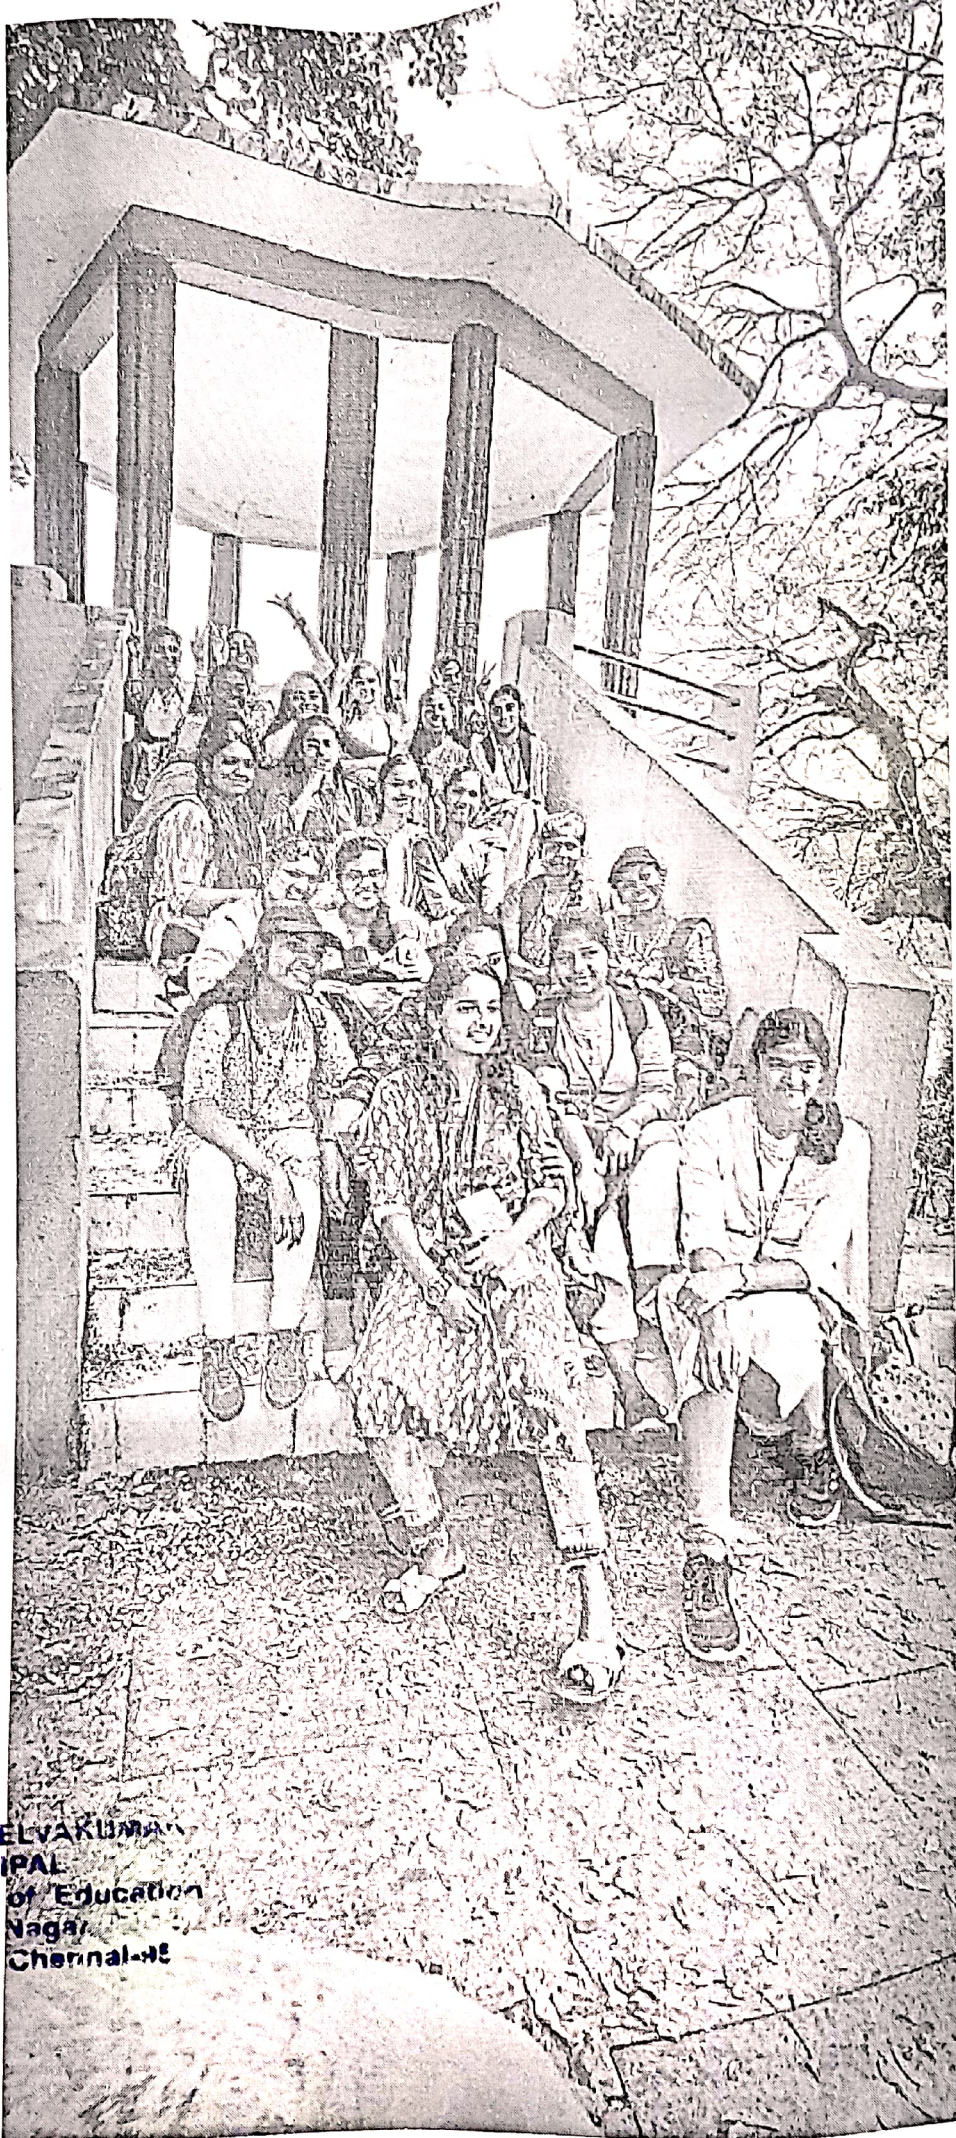

Criteria – 3

3.1.4. Eco-system for innovations and other initiatives

Reports of innovations tried out and ideas incubated

Over the past quarter, our team has pioneered several groundbreaking innovations and nurtured promising ideas through rigorous incubation processes. Among the most notable achievements, we successfully piloted an AI-driven analytics platform that enhances predictive accuracy for market trends, significantly outperforming traditional methods. Additionally, our development of a modular, eco-friendly packaging solution has garnered positive feedback from key stakeholders, highlighting its potential to revolutionize sustainable practices in the industry. These initiatives reflect our commitment to fostering a culture of continuous improvement and technological advancement, positioning us at the forefront of industry evolution.
